The Secretary to the
Chief Commissioner
of Mysore

Sir

I have the honor to acknowledge the receipt of your letter No. 1906/367 of the 13.ᵗʰ Instant, requesting to be informed whether I see any objection to Judicial Assistants being placed in permanent charge of the District Jail and Treasury, and to state, in reply, that in places to which the Munsiff scheme has been applied, the result has certainly been to lighten the original judicial work of the Judicial Assistants, but some increase in their work has taken place owing to the appeal cases referred to the Judicial

Assistants by Deputy Commissioners.

2. I am decidedly in favor of utilizing the services of the Judicial Assistants as far as may be practicable, but I fear that the permanent charge of Jails and Treasuries will prove detrimental to Judicial work. As a temporary arrangement, in cases of emergency, there would be no objection to the proposal. I should myself prefer to limit the charge to one or other, and in addition, to employ the Judicial Assistants in relieving the Magistrates of some of the more important Criminal Cases.

3. I am about to propose, ere long, the extension of the Kimsiff scheme to the Astagram Division, and I will then again refer more in detail to the subject, bearing any Remarks on the state of the files in the several Judicial Assistants Courts.
